

CORE RETURN BILL OF LADING (BOL)

To return your transmission core or torque converter to ATS Diesel Performance, please provide the information requested below. A request for a Bill of Lading (BOL) will be processed and emailed to the email you provide within 24 hours. Please feel free to call or email us back if you have and additional questions.

A COPY OF THE BOL MUST BE PRINTED AND PUT WITH THE TRANSMISSION FOR THE CARRIER

Date of BOL request: Order or SO #:

Telephone: Email:

Is this a:
Business or Residence

If this is this a business, what is the business name and hours of operation?:

Address for pick-up:

Is there a lift gate required to pickup the core? Yes No

Is the core in compliance with the request listed above? Yes No

*****NOTE FOR ALL CORE'S BEING SHIPPED TO ATS DIESEL PERFORMANCE**

ALL transmissions and torque converters MUST be drained of as much fluid as possible and wrapped in plastic as this for HAZMAT reasons. A clean-up and storage fee will be applied and charged to the customer if the unit does leak on to the truck or on the loading dock. You must remove any and all linkage cables, cooler lines, fittings, brackets, mounts and the dipstick and strap and the transmission / torque converter securely to the pallet before the carrier will pick up the core.

If any of these parts are received with your core or warranty unit, it will be your responsibility to pay any additional shipping of these parts to be returned to you.

IT IS NOT THE RESPONSIBILITY OF ATS DIESEL PERFORMANCE TO REPLACE ANY OF THESE PARTS FOR YOU IF THESE ITEMS ARE LOST

PLEASE SUBMIT THIS FORM TO THE FOLLOWING:
